

Individual Submission For S1

Yuchen Zhu

Mockup:

This is a mockup of the Friends Page in playmate that includes some of the basic features of friend networking. This includes some basic information about the user, including the ability to view/send/receive/delete friends, create/receive/delete friend group chats.

Persona:

This is example of Jay Ronaldo persona.

Jay Ronaldo

Bio

Now he found a company in another place. Because of the need of his job, he needs to sit in front of the computer for a long time. He doesn't have enough time to find people who like the same sports in the same place. But he really likes playing football and ball games in his spare time. So he wants to find other sports partners who like football and basketball as much as he does, to exercise and relax with.
